

双六 Sugoroku

Your Name: _____

What is *Sugoroku*?

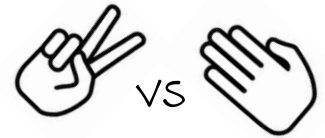

Sugoroku is like an American board game. Players usually throw dice and move around a board. Because we're short on dice, we are using rock-scissors-paper to decide who gets to move to the next boxes.

Rules

- 1 Play *janken*, or rock-paper-scissors. Winner will be A. Loser will be B.
- 2 A (Winner) will ask B (Loser) the question.
- 3 B (Loser) will answer the question and sign their name on A's paper.
- 4 A (Winner) can move to the next box/question. Sorry, B, try again!
